Distribution
3633 Century Blvd.
Lakeland, FL 33811
(863) 816-3509

Distribution
3228 Turnage Rd.
Wilson, NC 27893
(252) 479-7477

Distribution
2558 Turkey Creek Rd.
Oilville, VA 23129
(804) 354-1511

Fabrication
4000 Jefferson Park Rd.
Powhatan, VA 23139
(804) 598-6000

PRODUCT LINE CARD

Comprehensive manufacturer of sanitary pumps, valves, heat transfer, filtration, CIP & separation equipment

Measurement and control systems for liquids & gases

Sanitary & industrial centrifugal pumps, PD pumps & blending equipment

Mixers for industrial, pharmaceutical, sanitary & lab applications

Sanitary flow components for the dairy, food/beverage, brewing and pharmaceutical industries

Sanitary & industrial pressure gauges, thermometers, RTDs & temperature transmitters

Sanitary & industrial flexible hoses & accessories

The global leader in press technology

Recognized leader in flow control technology and superior-quality engineered valves, actuators and controls

Hygienic gaskets, hoses and accessories

American-made stainless steel & brass compression fittings & valves

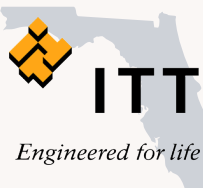

Global leader in design & manufacture of plastic pipe systems

Global leader in the manufacture and sale of stainless steel fluid handling components and equipment, management of processes and services.

High-performance fluoropolymer & fluoroplastic tubing & pipe

Engineered solutions for severe, critical service applications

World authority in steam engineering products and services

**state specific vendors*

Sensors and controls for sanitary and industrial automation

Blue-White
Industries, Ltd

Metering pumps, flowmeters & chemical feed systems

Thermoplastic valves, strainers & flow control

Thermoplastic valves, actuators & piping for industrial markets

Ball, relief & check valves; backflow preventers & hydronic specialties

Electropolished tubing & fittings for high-purity markets

PRATT

a **MUELLER** brand

Butterfly valves & flow control solutions

GTC PRODUCTS

High-purity gas distribution products

Full range of shell and tube heat exchangers proven to be reliable in the most demanding process environments

PLASTOMATIC

Thermoplastic valves & controls for corrosive applications

BEHRINGER

Industrial ball valves for demanding applications

Stainless valves, actuation & flow control
